School ID

School ID

How does it work? Parents can order nametags directly on our website, quoting the School ID, with no involvement from the school, and your organisation will be credited with the fundraising amount. Please note that it may take up to 6 months to credit your orders, and the minimum credit is 30€.

How to let parents know about the fundraising?

In our "For school/PTA" page on our website, you will be able to download a poster and a leaflet PDF files. We suggest giving one leaflet to each parent in the induction pack/newsletter/welcome pack/ school bag, and to display the poster in a prominent place. You can then remind parents at the start of each new term.

Why is this useful for my school?

School life is a lot easier when things don't go missing.

The clothes labels and stickers are extremely hardwearing and save a great deal of effort and potential lost property. They can be used on school uniforms, books, stationery, brownies/guides clothes, football kits, in fact almost anything.

For every order of personalised labels made using your School ID, My Nametags will credit the school, raising the much needed money for the organisation.

Frequently Asked Questions

1. How can the school get order forms to give to parents?

Feel free to ask us for as many order forms as you need, and we will send them to you free of charge. Email us to request these forms.

2. Who can request a School ID?

Any staff member or PTA representative of the school or nursery can request a School ID. Please email us (sales@mynametags.com) with the subject "School ID Malta", and include the organisation name, address, telephone number and contact name.

We deliver in less than 10 working days from date of receipt of your order.

We hope that you will be pleased with our product. We offer a money back guarantee if you are not.
